Make it work for your classroom

Our learning goal and grade band

_____

_____

The tool and content prompt we'll use

_____

_____

What every learner will explain or contribute

_____

_____

How we'll invite different ways to participate

_____

_____

Evidence we'll listen or look for

_____

_____

Our feedback cue and chance to revise

_____

_____

A small quality check

Can each learner explain a choice? Does the task need contributions from others? What feedback will you offer, and when can learners revise? Choose supports for speech, writing, language, reading, and device access.
