Play, Explore, Explain · quick reference

Our workshop

Play, Explore, Explain: Cooperative Learning in Action

Smartphone, tablet, or laptop; one shared device per small group is enough.

Our fifty-minute route

0–9: Play a short concept Bingo game

9–18: Notice what makes the learning cooperative

18–34: Explore two activities with your group

34–42: Share what you discovered

42–47: Make one activity work for your classroom

47–50: Explain what you'll take with you

Six tools, clear purposes

Bingo Card Generator and Bingo Caller

https://splatworks.org/solutions/bingo-card-generator/

Review and explain a concept before marking it.

Quiz and Flashcard Studio

https://splatworks.org/solutions/quiz-flashcard-studio/

Recall first, compare reasoning, then use feedback.

Meme Puzzle

https://splatworks.org/solutions/memepuzzle/

Use a puzzle reveal to invite explanations.

Story Wheel

https://splatworks.org/solutions/storywheel/

Explain the order and importance of events.

Dicebreaker Creator

https://splatworks.org/solutions/dicebreakers/

Give everyone a turn to elaborate and reflect.

Fortune Wheel

https://splatworks.org/solutions/fortune/

Use phrase recall as a starting point for meaning.
