Micro-coaching sprint planning template

Choose a teacher-directed goal

Participation, questioning, thinking time, understanding, or student explanations.

_____

_____

Record a short segment

Begin with approximately 10–15 minutes, following the TCEA article and district requirements.

_____

_____

Review the evidence

Teacher watches privately first; examine relevant moments together.

_____

_____

Discuss one improvement

Use Notice-Wonder-Next to select a manageable adjustment.

_____

_____

Test the adjustment

Try it in a subsequent lesson.

_____

_____

Review the results

Compare evidence: what changed, improved, remains uncertain, or needs another attempt?

_____

_____

Recording agreement

Confirm teacher ownership, consent, access, storage, retention, deletion, and evaluation boundaries with district policy.

Follow-through

Test date: _____ Follow-up date: _____

Evidence and review method: _____
